

*Speaking of things we
love about MVNU...*

Our Donors.

Each fall, hundreds of new students fall in love with MVNU through the generosity of our donors.

Since 1968, we have been blessed with a strong network of financial support. Whether it is giving to scholarships or toward a new facility, this vital support has helped shape MVNU into the vibrant University we are today.

Every person connected to MVNU, whether student, faculty, or staff, has been blessed by these gifts.

We cannot thank you enough.
